In the Materials and Methods section, material supply source is incorrectly cited and has been changed upon request of authors. In Acknowledgments, following paragraph would be added by authors' request.

Materials and Methods:

HLJG0701

The original wild ginseng (*Panax ginseng* C. A. Meyer) was obtained from Hwajin Biocosmetic Co. Ltd. and used for in vitro culture.

Acknowledgments:

This research was supported by a grant (Project No: R0004026) from Ministry of Trade, Industry and Energy. Hwajin Biocosmetic Co. Ltd. provided the test material and Jibiopharm Inc. consulted on the experimental work. We thank to those who have something to do in this research.
